

Exhibitor Interactive Kahoot Trivia Game!

Attention: Exhibitors

Mi Futuro wants to create more value for student engagement with you and the organization you represent. On event day, we will have exhibitor trivia questions compiled in a Kahoot trivia game that students will participate in.

Interactive Exhibitor Game:

To accomplish engagement, we are asking that you write one meaningful trivia question to engage students at your table. During lunch hour, students will have designated times to visit exhibitor tables and participate in a trivia game, *Kahoot*, on the main projector screen. On form below, enter one trivia question related to your exhibitor table to include in the *Kahoot* game.

Your submitted question will be on the *Kahoot* trivia for students to compete & answer. At your exhibitor table, you'll want to educate students on the topic of your trivia question. Equip them to answer & win! For more info on *Kahoot* Trivia game: <https://kahoot.com/what-is-kahoot/>

Trivia Question Guidelines:

- Multiple choice format
- 4 answer options
- When you submit your question & answer options, mark the correct answer choice with "CORRECT".
- List a meaningful question in alignment with *Mi Futuro's* essential purpose:
 1. Compel youth to consider a career in mental health & primary healthcare
 2. Empower mental health & reduce mental health stigma

Example Trivia Question:

This semester, how many SRJC students enrolled in a CNA course are also currently enrolled in high school?

- A: None
- B: 1
- C: 1 Million
- D. None of the above. CORRECT
